

# **Advance Android Assessment Test**

- **Write a program to demonstrate the Tea Diary App**
- **Prepare demonstration of Tea Diary App under software Development principles and follow coding protocols**
- **To implement application using of control statements as well as Collection concept**

## **Screens Description**

- 1. Data Should be displayed in Recyclerview with GridLayoutManager**
  - 2. Use Material Design**
  - 3. Use Retrofit Library for JSON Parsing**
  - 4. Use Proper Dimensions and your screen should be visible proper in every device.[Make sure there is no Screen compatibility issue]**
- **Remove option must ask to user for ID to delete and again ask for confirmation (Y/N) before deletion and display proper message after deletion**
  - **Program should not be terminated till the user Exit it**
  - **Developer needs to test his product before launching it into the market**

**After completion this project upload it on GitHub**

- **Upload all features in develop branch after completion all features merge it with main branch**
